Young Team Shows Talent

The Cardinal baseball team ended the season with a 6-16 record. Coach Wilson feels the team will fare better next year. "If we can find some more pitchers and a shortstop to replace graduated Senior Pat Wilson, this will be a fine team for 1987."

There were only two seniors on the 1986 team. They were Mark Becker and Pat Wilson. Thirteen of sixteen players were freshmen and sophomores.

Junior Chris Thoms led the team in pitching with 136 strikeouts. He also made second team All-Conference.

Senior Pat Wilson led the team in batting and fielding.

Although this year's softball team did not compile an outstanding record, they showed a lot of effort. Coach Dan Schleisman commented, "The 1986 softball team was a blend of several veterans and first year players. They were in every game that they played."

Senior players who helped make this an enjoyable season include Shelly Hascall, Lori Miller, Jill Constable, and Julia Gibson. These senior players will be missed in the upcoming year.

Ending with a a 5-26 record, the experience gained by the young players should be a good base for future years according to Schleisman.

Volleyball team has a disappointing season ...

The 1986 volleyball season was a heartbreaking one for the lady Cardinals. Coach Dan Schleisman said, "Many times they came close to a victory, but couldn't quite get the point they needed to finish off an opponent."

Despite a season with no varsity victories, the girls improved their skills. Andrea Jacobsen, had an excellent season this year leading the team in serve reception. She also had one of the highest percentages in serving and spiking. Leading the team in serves was Corene Peters, while Kaylee Hundt and Ann Ihrig rounded out the team leaders in spiking and serve reception for the cardinals.

Coach Schleisman feels that the future will be bright for the Shelby-Tennant spikers with seven returning letterwinners.

This year's cross country team had a very successful and enjoyable year. Although small in number, they were very hard working and they proved this by continually improving their times throughout the season.

The boys were led by senior Shawn Bell who was a state qualifier. Shawn placed 6th at the district meet and set a school record of 10:17.

Pam Paul, who was the only girl on the team, held her own and improved with each run.

As a team, Shelby-Tennant placed 12th out of 36 teams entered in District competition.

elby-Tennant's offensive unit.

The 1986 Shelby-Tennant Cardinal football team surprised many people this season and had one of the better seasons of recent years. It was an especially memorable season for the senior players who were all successful in making the all-conference team.

Two major highlights of the season include winning over both Avoca and Tri-Center in the season. Coach Dave Wilson commented, "It was a pleasure to coach the 24 young men who had the desire to excel." The team ended with a record of 6-3 and came within one game of making the state playoffs.

Players earning all-conference honors include seniors Terry Wilson, Greg Robinson, Mike Mattox, and Ron Bauer, first team; Kevin Goshorn, Derrick Dea, Roger Kay, and Steve Myers, second team; Joel Jacobsen and Shane Bell, '86 conference honorable mention.

All Southwest Iowa honors went to Ron Bauer, who was also the first player to make the first team since 1975 for Shelby; Terry Wilson and Mike Mattox, second team; Greg Robinsonn, '86 all-state honorable mention. Senior Mike Mattox was also named to the academic all-state team.

Overall, this was a very successful season for the Shelby-Tennant Cardinal football team.

This was the most wins by a Shelby-Tennant boy's basketball team since the 1974-75 season and only the seventh winning season in the last 27 years. The team will lose two seniors, Mike Mattox and Shawn Bell, but return second team All-Conference member Kevin Goshorn and Steve Myers who received Honorable Mention.

The 1986-87 basketball season proved to be tough one for the Cardinal girls. They finished with a 0-16 record and were 0-7 in the conference.

.MCoach Dan Schleisman anticipates next year as the Cardinals will only lose four seniors, co-captains Ann Ihrig and Dawn Kirkhart along with classmates Tami Kiesel and Kim Paul to graduation.

Returning standouts include Kaylee Hundt, Nikki Graybill, Diane Bintz, and Andrea Jacobsen.

Schleisman believes, "The underclassmen have much potential and if they put in the work needed before the next season they can lead the way to improving their record."

S-T Wrestlers

The 1986-87 wrestling team had an impressive season. Although the team was small in number this year, they were big in heart. Wrestling takes a lot of dedication and these young men had it. The team was guided by four seniors. They were Mark Boardman at 119, Joe Konz at 126, Terry Wilson at 155, and Joel Jacobsen at 167. Of these seniors two qualified to wrestle at the state meet. The team ended the season with a 2-2 dual meet record and did well in area tournaments that they competed. Mr. Wilson coached the cardinal wrestlers again this year.

Girls' Track

Team Members include from L to R: Nikki Graybill, Diane Bintz, Amy Hursey, Tami Haseltine, and Pam Paul. Not pictured - Coach Dan Schleisman.

Although the 1987 Cardinal track team was short in number this year, the girls did a fine job. With only five members, this group was able to score points in every meet they attended and they often outscored schools with much larger squads.

Juniors Pam Paul and Tami Haseltine, sophomore Diane Bintz and freshmen Amy Hursey and Nikki Graybill all had personal bests in at least one event during the season.

Amy Hursey, who was participating in track for the first time, had a particularly good year. She finished the year by recording a personal best in the 100 meter dash at the district meet. Nikki Graybill also ran a personal best in the 200 meter dash at district and she was only .2 of a second away from a state meet berth.

Other personal bests include: Tami Haseltine in the 100 meter hurdles, Diane Bintz in the 100 meter hurdles, and Pam Paul in the 800 and 1500 meter runs.

Coach Dan Schleisman commented on the season by saying, "Overall, these five young ladies did a fine job in representing Shelby-Tennant during the 1987 track season".

Despite a season with few victories, the girls volleyball teams improved their skills. The 8th grade team had a season record of 0-6. Coach Nancy Collins felt that the players need to work on individual skills. "The girls need to learn to be more aggressive in their individual playing by digging and hustling for the ball and serving consistently well."

The 7th grade team had a season record of 1-5. "Many of our matches were within a one or two point margin at the end of the match, and we never seemed to be on the winning end," commented Collins.

Although the season was a disappointing one, Coach Collins feels that the girls have much ability, and with hard work they will do well as a team in the years to come.

Junior High Girls Basketball

Although this years team was very inexperienced compared to their competition, the girls' determination and hard work as the season progressed gave them a .500 season.

The young Cardinals ended with a 5-5 season record. According to Coach Collins, "Our forwards learned to be patient and make things happen and when the guards wanted to play gritted-teeth defense they allowed their opponents a meer seven points in the second half."

Overall, it was an enjoyable year for all. Coach Nancy Collins said she truly enjoyed her first season with these girls because they never gave up and showed true sportsmanship, win or lose.

Junior High Football

Team Members include: L to R Andy Stewart, Darren Goshorn, Matt Sternberg, Brian Peters, Jeromy Alkonis, Jason Plumb, Rob Hansen.

The 1986-87 football season was in general a very satisfying one. This was the first year that Avoca and Shelby combined their programs. Head Coach Larry Rhamy and assistant Coach Bill Fell, along with the players, all felt that the combined program worked out very well.

The team ended with a 3-2 season that Coach Fell felt could easily have been a 4-1 season. "Even though this was my first year coaching junior high football, I could see that we have some good players coming up for eighth and ninth grade."

Boys Future Looks Bright

m Members include: L to R (Front Row) Jason Plumb, Andy Stewart, Rob Hansen, stin Kirkhart, Larry KcKnabb, (Back Row) Darren Goshorn, Matt Sternberg, Brad Sindt, omy Alukonis, Coach Dan Merriam. (Not pictured - Greg Fox)

The Shelby-Tennant junior Cardinals basketball team rebounded from a 1-2 early season record and finished the season with an impressive record of 7-2.

According to Coach Merriam this was a very talented and enthusiastic squad of young men. Coach Merriam commented, "It was a satisfying year in the respect that the play of the members was always hard and we improved with each game." With the skills they have shown this year, these young men should definitely see success ahead in the years to come.

Junior High Track

Both the junior high boys and girls track teams had successful seasons this year. Although the teams were small in number, they were loaded with talents. "This was evidenced by the many first and second places we captured at the five meets," commented Coach McCarthy.

Special mention goes to conference champions Debbie Kiesel, high jump; Matt Sternberg, long jump, 1600 M run, and 800 M medley race; and Andy Stewart, Jeremy Alukonis, and Darren Goshorn, all in the 800 M medley race.

Team Members Include: L to R (Front Row) Rhonda Pauley, Dawn Heilig, Andrea Sawick, Wendy Davis (Middle Row) Jodi Behrens, Rachel Myers, Melody Bell, Debbie Kiesel (Top Row) Matt Sternberg, Andy Stewart, Jeromy Alukonis, Darren Goshorn, Dustin Kirkhart.

The pep band began its season on January 6th playing at the first of eight home boys' and girls' basketball games lasting through February. The pep band did a great job of pepping up the audience and the athletes.

The band students and the rest of the student body got a special treat this year when the band and vocal parents sponsored a concert by the Augustana College concert band from Rock Island, Illinois on March 3rd. Also, on March 7th all band members' were busing showing their culinary abilities by preparing over 500 pizzas for sale at the third annual pizza-making fund raiser.

ACTIVITIES

Homecoming "86"

During Homecoming week there were many contests and activities. Each class grades 7-12 and the teachers participated in these contests such as limbo, football toss, mello yello chug-a-lug, and a cheering contest. The sophomores and the teachers finished the week tied as the overall winners. Also this week there were dress up days. The themes for these days were Hawaiian/camo, bum/clash/inside out, guy-gal switch, nerd/punk, hats/shades/jerseys.

On Thursday coronation was held. Tami Kiesel and Mike Mattox were crowned Queen and King 1986-87. Afterwards there was a snake dance and a huge bonfire.

On Friday,everyone followed the marching band down town for yet another pep rally. That night the Shelby guys ran onto the field with fire in their eyes and one thing on their minds--LET'S BEAT AVOHA. Beating Avoha was exactly what they did. This was the first time the Cardinals had accomplished this in 19 years. As the last seconds ticked off the clock the scoreboard showed Shelby 13 - Avoha 0. The players walked off that night thinking to themselves ... It's about time.

Junior Class Play

This year's junior class play, directed by Brent Winterhof, was a comedy called "Dumb Luck". The play, which was presented on November 7th and 8th, was very successful. This very funny play began with Sally Flynn, a working class widow played by Pam Paul, winning a million dollars. Although this might seem to be a dream-come-true, it causes many complications in Sally's life. She becomes famous overnight and is immediately swept into a whirlwind of unwanted fame and craziness. To make things even more confusing, Sally's husband returns from the dead! Despite all of this, Sally keeps her humor and integrity. All of this makes for a very enjoyable play.

The spring of '87' Fine Arts Banquet, held on Monday, May 18, turned out to be a tremendous success. The night started with a nice buffet meal. Then parents and students had the pleasure of looking at the many fine displays by students in art, industrial arts, and home ecomonics.

The night ended with a short presentation of awards which included recognition of those involved in band, vocal, speech, business classes, and art.

The banquet was an excellent opportunity for parents and members of the community to see the impressive representation of the students' talents.

Senior Kim Paul collects another award.

Clyde the Cardinal

This year, Shelby-Tennant's mascot Clyde the Cardinal was very successful in keeping school spirit up. He could be seen throughout the year at various activities including football and basketball games. Clyde also aided the cheerleaders with fundraising activities by getting his picture taken with members of the community.

Although he may have been reluctant to admit it, senior Shawn Bell seemed to really enjoy making Clyde come alive. When Shawn was involved with basketball, his replacement was Mary McCracken, who also enjoyed helping raise the fans' spirit.

As the school day comes to a close,
so does another great year.

In Closing

This has been a most memorable year. Putting this 1986-87 Cardinal yearbook together has taken a lot of hard work and long hours. Hopefully this annual has been successful in capturing special memories that will last a life time. I would like to thank those who helped make this annual possible. Many thanks go to all the merchants who offered us their support.

Again, thanks to all! It has been an unforgettable year!
